Course Description

This qualification reflects the role of employees such as production operators in an open cut mine or quarry, who perform tasks involving a broad range of skilled applications in a varied work context, using some discretion and judgement in selecting equipment, services or contingency measures.

Selection Criteria

- Students must be 18 years of age or older
- Students must not have fear of heights
- Students must not have fear of confinement
- Students must have the capacity to stand for extended periods of time
- Students must be able to get on their knees on the floor and perform CPR on a manikin continuously for a least 2 minutes
- Due to the physical requirements of these units the student must have basic physical fitness

* Information subject to change without notice
