

RII30820 Certificate III in Civil Construction Plant Operations

Duration

Minimum 6 months

Location

On-the-job/Work Based

Course Fee

\$10,000 (deposit \$1,400 payable on enrolment)

Recognition of Prior Learning

All individual students are offered the opportunity to apply for RPL, please see the Student Handbook or enquire at the RTO for the procedure on how to apply.

Safety Requirements

As a minimum, participants are required to comply with their employer's safety standards.

Mode of Assessment

On-the-job/Work Based – Students will complete all their training and assessments on the job, with the exception of the electives RIIWHS204E Work safely at heights and RIIWHS202E Enter and work in confined spaces. These two electives will be delivered through attendance at Face to Face training. Participants will be required to complete a written theory assessment and undertake a practical assessment for each UOC.

Course Description

This qualification reflects the role of a skilled operator working with civil construction plant, who applies a broad range of skills in a varied work context, using some discretion and judgement and relevant theoretical knowledge. The individual may provide theoretical advice and support a team.

Selection Criteria

- Students must not have fear of confinement
- Students must have the capacity to stand for extended periods of time
- Due to the physical requirements of these units the student must have the ability to perform lifting and manual excavation tasks using a variety of equipment
- Students must not have a fear of heights

UNITS OF COMPETENCY	
CODE	TITLE
RIIBEF201E	Plan and organise work
RIICCM201E	Carry out measurements and calculations
RIICCM202E	Identify, locate and protect underground services
RIICCM203E	Read and interpret plans and specifications
RIICCM205F	Carry out manual excavation
RIICCM206E	Support plant operations
RIICCM207E	Spread and compact materials manually
RIICCM208E	Carry out basic levelling
RIICOM201E	Communicate in the workplace
RIIRIS301E	Apply risk management processes
RIISAM201E	Handle resources and infrastructure materials and safely dispose of non toxic materials
RIISAM203E	Use hand and power tools
RIISAM204E	Operate small plant and equipment
RIIWHS201E	Work safely and follow WHS policies and procedures
RIIWMG203E	Drain and dewater civil construction site
RIIMPO318F	Conduct civil construction skid steer loader operations
RIIMPO317F	Conduct roller operations
RIIMPO321F	Conduct civil construction wheeled front end loader operations
RIIWHS202E	Enter and work in confined spaces
RIIWHS204E	Work safely at heights
